**CONSTRUCTION WELL UNDERWAY AT SOUTH PEACE COMMUNITY MULTIPLEX**

To date, approximately \$15 Million of work has been contracted for the South Peace Community Multiplex. With significant earth work, site preparation and installation of services now complete, the structure is fast taking shape. Drilling and pouring for the foundations of the Agriplex, Event Centre and the Aquatic Centre is almost complete with structural grade beam construction underway for the Agriplex. Structural steel will arrive on site in the middle of September for the LaKota Agriplex, the end of October for the EnCana Event Centre and the middle of November for the Kenn Borek Aquatic Centre.

The South Peace Community Multiplex is expected to open in late 2006.
